

BEFORE THE CORPORATION COMMISSION
OF THE STATE OF OKLAHOMA

APPLICANT: NEWFIELD EXPLORATION MID-CONTINENT INC.

CAUSE CD NO.

201502559-T

RELIEF SOUGHT: HORIZONTAL DRILLING AND SPACING UNITS

MAY 29 2015

LEGAL DESCRIPTION: SECTIONS 16 AND 21,
TOWNSHIP 2 NORTH, RANGE 5 WEST,
STEPHENS COUNTY, OKLAHOMA

APPLICATION

COMES NOW Applicant and shows the Honorable Corporation Commission as follows:

1. Parties: Applicant is Newfield Exploration Mid-Continent Inc., One Williams Center, Suite 1900, Tulsa, Oklahoma 74172. The parties being named as respondents to this Application are listed on Exhibit "A" attached hereto and made a part hereof.

2. Allegation of Facts:

a. Applicant alleges that the lands in the caption hereof overlie the actual or prospective common sources of supply named below; that Applicant owns oil and gas interests in the area covered by this Application which entitle Applicant to drill for and produce oil and gas from the lands covered by the Application; that the protection of correlative rights and the prevention of waste require that proper drilling and spacing units and well locations be established therefore:

<u>COMMON SOURCE OF SUPPLY</u>	<u>CLASSIFICATION</u>	<u>DEPTH</u>
Mississippian	Oil	14,800'
Woodford	Oil	15,100'
Hunton	Oil	15,400'

b. That 640-acre horizontal drilling and spacing units should be established for the **Mississippian, Woodford and Hunton** common sources of supply as set out below.

RECEIPT 1508330033
Date: 06/03/2015 Time: 17:31
Case: 201502559 CD Cashier: GPT
Payor: NEWFIELD EXPLORATION MID-CON
Check: 21022 \$100.00
71 OILGAS/TRAN/PUB APP

c. That the permitted well in each drilling and spacing unit requested herein is necessary to effectively and efficiently drain the portion of the common source of supply (reservoir) covered by such drilling and spacing unit, there being no existing well within the drilling and spacing unit which can effectively and efficiently drain the portion of the common source of supply (reservoir) covered by such drilling and spacing unit.

d. Applicant has conducted a diligent and meaningful search of the local county assessor's records, county treasurer's records, and county deed records regarding the property involved for return addresses on recorded instruments, county probate records and city and county telephone directories and other sources of such information to locate each respondent.

3. Legal Authority: Title 52, Section 87.1, O.S.

4. Relief Sought: That Applicant requests that the Commission enter its order **establishing** a 640-acre horizontal drilling and spacing unit for the **Mississippian, Woodford and Hunton** common sources of supply underlying Sections 16 and 21, Township 2 North, Range 5 West, Stephens County, Oklahoma. The Meramec portion of the Mississippian has shale like properties similar to the Barnett Shale. Other members of the Mississippian have limestone properties. The completion interval for the Mississippian and Hunton common sources of supply in a horizontal well unit shall be located not less than 660 feet from the boundary of the 640-acre horizontal unit. The Woodford common source of supply is an unconventional reservoir and the completion interval for the Woodford common source of supply in a horizontal well unit shall be located not less than 330 feet from the boundary of the 640-acre horizontal unit.

There is no production from any non-horizontal well in the units.

The horizontal well units may exist concurrently with any non-horizontal drilling and spacing unit and each such unit may be concurrently developed. Therefore, the following order is not being vacated.

Order No. 395515 insofar as it established a 640-acre drilling and spacing unit for the Chester, Caney, Sycamore, Woodford and Hunton common sources of supply underlying Section 16, Township 2 North, Range 5 West, Stephens County, Oklahoma.

5. Special Provision: The relief requested herein may be made effective prior to the issuance of this Order.

WHEREFORE, Applicant prays that after notice and hearing as required by law, the drilling and spacing unit as requested by Applicant, with appropriate well locations and exceptions thereto, be ordered.

Respectfully submitted,
BARNES LAW, PLLC

Attorneys for Newfield Exploration Mid-Continent Inc.

CERTIFICATE OF MAILING/CERTIFICATE OF SERVICE

The undersigned, of lawful age, being first duly sworn upon oath, states: I am the Attorney for the above-named Applicant. I certify that on or before the 18 day of June, 2015 I mailed by first class United States mail, proper postage prepaid thereon, a copy of the Notice of Hearing on file in this Cause and this Application to the respondents named on the Exhibit "A" attached to this Application, at their respective mailing addresses.

That Applicant has, with due diligence and after inquiry of every possible source for information, attempted to locate the names and addresses of all respondents that should be receiving notice of this hearing before the Corporation Commission. For respondents that Applicant does not know and cannot ascertain whether an individual respondent(s) are living or deceased, or respondent(s) with a last known address that are no longer deliverable, or whether a corporation(s) or other business entities respondent(s) are existing, Applicant desires to obtain service by publication upon said respondents whose addresses are unknown or are undeliverable.

Ron M. Barnes, OBA #534
Grayson Barnes, OBA #31475
