IN THE MATTER OF A PERMANENT

CORPORATION COMMISSION AMENDING
OAC 165:5, RULES OF PRACTICE

CAUSE NO. RM 202100002

ECONOMIC IMPACT AND ENVIRONMENTAL BENEFIT STATEMENT

Pursuant to 27A O.S. § 1-1-206, the Judicial and Legislative Services ("JLS") Division of the Oklahoma Corporation Commission ("Commission") submits the following Economic Impact and Environmental Benefit Statement for its proposed rules regarding Title 165, Chapter 5 of the Oklahoma Administrative Code ("OAC").

I. Economic Impact of the Proposed Rules:

The proposed rules will positively affect entities regulated by the Commission through the use of the forthcoming Electronic Case Filing ("ECF") System. The ECF System will be free to use, and will allow persons to file documents with the Commission's Court Clerk without having to file in person or send the document via traditional mail. The proposed rules concerning the Motor Carrier Citation Docket will save participants time and money by not needing to appear in person for hearings at the Commission. It is not anticipated that the proposed rules will have an adverse economic impact on entities or persons regulated by the Commission. The proposed rules do not propose any new fees.

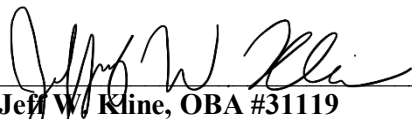

II. Environmental Benefit of the Proposed Rules:

It is not anticipated that the proposed rules will have either a positive or negative impact on the environment.

III. Date of Preparation of Economic Impact and Environmental Benefit Statement:

This Economic Impact and Environmental Benefit Statement was prepared on the 24th day of February, 2021.
