DEFAULT CITATION ORDER

This cause came on for hearing before an Administrative Law Judge on the Enforcement Docket on June 6, 2006, in the Commission's Courtroom, Kerr Building, Tulsa, Oklahoma, pursuant to notice given as required by law and the rules of the Commission for the purpose of taking testimony and reporting to the Commission.

At the time of the hearing, Jim Hamilton, attorney for the Oil and Gas Conservation Division, appeared for the Applicant, Lori Wrotenbery, Director of the Oil and Gas Conservation Division of the Corporation Commission.

FINDINGS

1. The Commission has jurisdiction over the subject matter, and notice has been given in all respects as required by law and rules of the Commission.

2. This matter relates to a SUDS Unit well located in the SW/4 of Section 03, Township 15 North, Range 10 East, Creek County, Oklahoma. Respondent was served with a Complaint Citation on May 17, 2006; however, Respondent did not appear at the hearing. Commission oil and gas field inspector Pat Brown filed the Complaint Citation with the Court Clerk alleging that the Respondent was the owner/operator of the subject SUDS Unit injection well. The field inspector alleged that he had observed that salt water was flowing into the well, which well was not authorized as a disposal or injection well. The complaint alleged that the action of the Respondent was a violation of Commission Rule OCC-OAC 165:10-5-2, failure to obtain a permit for injection or disposal well, which required that Respondent be assessed a monetary penalty of Five Thousand Dollars (\$5,000.00).

3. The Administrative Law Judge finds that the Respondent, Packard Gas Company, is in violation of OCC-OAC165:10-5-2, which provides on Schedule A for a monetary assessment of Five Thousand Dollars (\$5,000.00). The Administrative Law Judge further recommends that a Final Order issue in this cause.

ORDER

IT IS THEREFORE THE ORDER OF THE CORPORATION COMMISSION OF THE STATE OF OKLAHOMA:

1. That the findings and recommendation of the Administrative Law Judge are incorporated herein.

2. That the Respondent, Packard Gas Company, is found in violation of OCC-OAC 165:10-5-2 and is required to pay to the Corporation Commission the sum of Five Thousand Dollars (\$5,000.00) for failure to obtain Commission authority for injection or disposal of salt water into the SUDS Unit well located in the SW/4 of Section 03, Township 15 North, Range 10 East, Creek County, Oklahoma, as set forth in Commission Rules.

3. That the monetary assessment shall be paid, within thirty (30) days of the date of this Final Order, by the Respondent, Packard Gas Company, to the Cashier, Finance Department, Corporation Commission, 2101 N. Lincoln Boulevard, P.O. Box 52000, Oklahoma City, OK 73152-2000.

4. THAT PAYMENT OF THIS OBLIGATION IS DUE WITHIN THE TIME PROVIDED AND FAILURE TO PAY SHALL RESULT IN A STATE COURT JUDGMENT AND COLLECTION ACTION BEING FILED AGAINST THE RESPONDENT, AND A LIEN BEING FILED AGAINST THE PROPERTIES OF THE RESPONDENT ACCORDING TO 17 O. S. SECTION 6.
