6.1 Participate: To participate in the development of the unit and common sources of supply by agreeing to pay such owner's proportionate part of the actual cost of the well and unit covered hereby and by paying, as set out below, to Operator such owner's proportionate part of the estimated completed for production cost thereof, or by providing the Operator with an irrevocable letter of credit for such payment satisfactory to the Operator, within 25 days from the date of this Order, as follows:

Completed for production	\$10,949,492

Provided further, however, that in the event an owner elects to participate in said unit well by paying his proportionate part of the costs thereof and fails or refuses to pay or provide the Operator with an irrevocable letter of credit for such owner's proportionate part of the completed for production cost as set forth herein, all within the periods of time as prescribed in this Order, then such owner shall be deemed to have elected to accept the highest cash bonus for which because of burdens such owner's interest qualifies as set out in paragraphs 6.2, 6.3 and 6.4 below; provided if because of burdens such owner's interest does not qualify for a cash option, then such owner shall be deemed to have accepted the no cash option provided in paragraph 6.5 below. Thereupon, the payment of such cash bonus shall be made by Operator within 35 days after the last day of which such defaulting owner, under this Order, should have paid his proportionate part of such costs or should have made satisfactory arrangements for the payment thereof.

6.2 Cash Consideration: **To accept \$1,700 per acre plus the normal 1/8 royalty interest,** as defined in 52 O.S., Section 87.1(e)(2001), as a fair, reasonable and

equitable bonus to be paid to each owner who elects not to participate in said unit well by paying such owner's proportionate part of the costs thereof; such cash bonus to be paid within 35 days from the date of this Order and when so paid shall be satisfaction in full of all rights and interests of such owner in the well covered hereby.

6.3 Cash Consideration: **To accept \$1,500 per acre plus a total royalty of 3/16** as a fair, reasonable, and equitable bonus to be paid unto each owner who elects not to participate in said unit by paying such owner's proportionate part of the cost thereof; such cash bonus to be paid within 35 days from the date of this Order and when so paid shall be satisfaction in full for all rights and interests of such owner in the unit covered hereby, provided, however, in the event that owner's interest is subject to a royalty, overriding royalty, or other burden on production in excess of the normal 1/8 royalty as defined herein, then such excess royalty, overriding royalty, or other burden shall be charged against the 1/16 of 8/8 overriding or excess royalty as herein set forth, and the same shall be reduced by the amount of any such excess.

6.4 Cash Consideration: **To accept \$1,000 per acre plus a total royalty of 1/5** as a fair, reasonable, and equitable bonus to be paid unto each owner who elects not to participate in said unit by paying such owner's proportionate part of the cost thereof; such cash bonus to be paid within 35 days from the date of this Order and when so paid shall be satisfaction in full for all rights and interests of such owner in the unit covered hereby, provided, however, in the event that owner's interest is subject to a royalty, overriding royalty, or other burden on production in excess of the normal 1/8 royalty as defined herein, then such excess royalty, overriding royalty, or other burden shall be charged against the 7.5% of 8/8 overriding or excess royalty as herein set forth, and the same shall be reduced by the amount of any such excess.

6.5 **Consideration In Lieu of Cash:** To accept in lieu of such cash bonus plus an excess royalty, an owner may elect to have delivered unto him **no cash and a total royalty of 1/4 of 8/8**, as his just and fair share of the production from such unit. 7. **Failure to Elect:** In the event any owner fails to elect within the time and in the manner as set forth in paragraph 6 above, then such owner shall be deemed to have accepted the highest cash bonus for which because of burdens such owner's interest qualifies as set out in paragraphs 6.2, 6.3 or 6.4 above, provided in the event such owner's interest because of burdens attached to such interest does not qualify for the option provided in paragraphs 6.2, 6.3 or 6.4 above, then such owner shall be deemed to have accepted the no cash option provided for in paragraph 6.5 above; in the event any owner elected to do other than participate in said unit by paying his pro rata share of the costs of the unit well thereof, or fails to make an election provided above, such owner shall be deemed to have relinquished unto Operator all of such owner's right, title, interest, or claim in and to the unit, except for any normal 1/8 royalty interest,

and other share in production to which such owner may be entitled by reason of any election hereunder.

8. **Operator:** Newfield Exploration Mid-Continent, Inc.  
Attn: David Korell  
One Williams Center, Suite 1900  
Tulsa, Oklahoma, 74172

an owner of the right to drill in said drilling and spacing unit is designated Operator of the unit well and common sources of supply covered hereby and all elections required in paragraph 6 hereof should be communicated to said Operator in writing at the address above as required in this Order. All written elections must be mailed postmarked within the election period as set forth in paragraph 6; provided such election may be mailed certified mail with return receipt requested in which event such certified election must be deposited in the post office within the election period set forth in paragraph 6. That said Operator has a current plugging bond or financial statement on file with the Corporation Commission.

9. **Commencement of Operations:** That Operator shall commence operations for the drilling or other operations with respect to the unit covered hereby within **one year** from the date of this Order and shall diligently prosecute the same to completion in a reasonably prudent manner, or this Order shall be of no force and effect, except as to the payment of bonus. If any payment of bonus due and owing under this Order cannot be made because the person entitled thereto cannot be located or is unknown, then said bonus shall be paid into an escrow account within ninety (90) days after this Order and shall not be commingled with any funds of the Applicant or Operator. Any royalty payments or other payments due to such person shall be paid into an escrow account by the holder of such funds. Responsibility for filing reports with the Commission as required by law and Commission rule as to bonus, royalty or other payments deposited into escrow accounts shall be with the applicable holder. Such funds deposited in said escrow accounts shall be held for the exclusive use of, and sole benefit of, the person entitled thereto. It shall be the responsibility of the Operator to notify all other holders of this provision and of the Commission rules regarding the unclaimed monies under pooling orders.

10. **Participation in Subsequent Operations:** Only those owners electing to participate in the initial well drilled hereunder as provided above will be allowed to participate in subsequent wells drilled on the drilling and spacing unit and common source of supply covered hereby. Owners electing or deemed to have elected the cash option plus royalty provided in paragraphs 6.2, 6.3 or 6.4 above shall receive no additional cash consideration for subsequent wells, but shall receive the royalty provided therein for subsequent wells. Owners electing or deemed to have elected the no cash option provided in paragraph 6.5 above shall receive the royalty provided therein for subsequent wells. The term subsequent well for the purposes of paragraphs 10 and 11 shall not be deemed to include any side-tracking or other operation with respect to the initial unit well and shall not be deemed to be any well that is drilled as a replacement or substitute well for the initial unit well or any subsequent well covered hereby, by virtue of any mechanical or other problems arising directly in connection with the drilling, completing, equipping or producing of the initial unit well or any subsequent well and no party

subject to this Order shall have the right to make any subsequent elections as to any such side-tracking, replacement or substitute well.

11. Election on Subsequent Operations: In the event Newfield Exploration Mid-Continent, Inc. ("Newfield") proposes the drilling of a subsequent well it shall notify those owners who elected to participate in the initial well drilled hereunder of its intent to drill a subsequent well and said owners will have 20 days from the date of receipt of said notice to elect whether to participate in said subsequent well. The notice provided by Newfield shall include the estimated dry hole costs and estimated completed well costs of the subsequent well and owners electing to participate must pay, or make satisfactory arrangements with Newfield to secure the payment, of their proportionate share of said complete well costs within 25 days from the date of receipt of notice from Newfield. Those owners electing not to participate or those owners failing to elect within the period provided or those owners electing to participate but failing to pay within the period provided shall be deemed to have elected not to participate in the subsequent well and shall thereafter receive the consideration provided for in paragraph 6.5 above for all subsequent wells. Anytime an owner elects or is deemed to have elected not to participate in a subsequent well, then that owner shall not be allowed to participate in future wells drilled on the drilling and spacing units covered hereby. Newfield shall commence the subsequent well within 180 days of the proposal for same or the proposal shall expire. That the Oklahoma Corporation Commission shall retain jurisdiction over the drilling and completion costs proposed by Newfield for subsequent wells.

12. Operator Lien: That Operator, in addition to any other rights provided herein, should have a lien, as set out in 52 O.S., Section 87.1(e)(2001), on the interest of any owner, subject to this Order, who has elected to participate in the well covered hereby by paying such owner's proportionate part of the costs thereof.

13. Special Finding: Notice has been given by publication as required by Commission Rules and Affidavits of Publication have been filed. Those owners whose names and addresses were attainable have been given actual notice by mail. An adjudicative inquiry was conducted by the Administrative Law Judge into the sufficiency of the search to ascertain the names and addresses of all owners and if a diligent effort had been made to locate all affected interest owners. Applicant has made a meaningful and diligent search of all reasonably available sources at hand to ascertain those parties that are entitled to notice and the whereabouts of those entitled to notice but who were served only by publication. The Commission finds the process to be proper and has jurisdiction over the subject matter and the parties. That a bona fide effort was made to reach an agreement with each respondent and that the Applicant has not agreed with all such respondents in such drilling and spacing unit to pool their interest and to develop the drilling and spacing unit common sources of supply as a unit; that the Applicant has proposed the drilling of a well on said unit and to develop said common sources of supply; that the Operator, hereinabove named, is an owner of the right to drill on said drilling and spacing unit and to develop and produce said common sources of supply.

14. Filing of Affidavit: That the Applicant or its Attorney shall file with the Secretary of the Commission, within 10 days from the date of this Order, an Affidavit stating that

a copy of said Order was mailed within 3 days from the date of this Order to all parties pooled by this Order, whose addresses are known.

15. This is a unit pooling.

16. Conclusion: The relief requested is necessary to prevent or to assist in preventing the various types of waste of oil or gas prohibited by statute, or any of said wastes, and to protect or assist in protecting the correlative rights of interested parties. Such requested relief, as set forth above, should be granted and IT IS SO ORDERED.
