All written elections must be mailed postmarked within the election period as set forth in paragraph 7; provided such election may be mailed certified mail with return receipt requested in which event such certified election must be deposited in the post office within the election period set forth in paragraph 7. That said Operator has a current plugging bond or financial statement on file with the Corporation Commission.

10. **Commencement of Operations**: The well has been drilled and Operator shall continue to operate the well in a reasonably prudent manner or this Order shall be of no force and effect, except as to the payment of bonus. If any payment of bonus due and owing under this Order cannot be made because the person entitled thereto cannot be located or is unknown, then said bonus shall be paid into an escrow account within 90 days after this Order and shall not be commingled with any funds of the Applicant or Operator. Any royalty payments or other payments due to such person shall be paid into an escrow account by the holder of such funds. Responsibility for filing reports with the Commission as required by law and Commission rule as to bonus, royalty or other payments deposited into escrow accounts shall be with the applicable holder. Such funds deposited in said escrow accounts shall be held for the exclusive use of, and sole benefit of, the person entitled thereto. It shall be the responsibility of

the Operator to notify all other holders of this provision and of the Commission rules regarding the unclaimed monies under pooling orders.

11. Participation in Subsequent Operations: Only those owners electing to participate in the initial well drilled hereunder as provided above will be allowed to participate in subsequent wells drilled on the drilling and spacing unit and common source of supply covered hereby. Owners electing or deemed to have elected the cash option plus royalty provided in paragraph 7.2 above shall receive no additional cash consideration for subsequent wells, but shall receive the royalty provided therein for subsequent wells. Owners electing or deemed to have elected the no cash option provided in paragraph 7.3 above shall receive the royalty provided therein for subsequent wells. The term subsequent well for the purposes of paragraphs 11 and 12 shall not be deemed to include any side-tracking or other operation with respect to the initial unit well and shall not be deemed to be any well that is drilled as a replacement or substitute well for the initial unit well or any subsequent well covered hereby, by virtue of any mechanical or other problems arising directly in connection with the drilling, completing, equipping or producing of the initial unit well or any subsequent well and no party subject to this Order shall have the right to make any subsequent elections as to any such side-tracking, replacement or substitute well.

12. Election on Subsequent Operations: In the event Cimarex Energy Co. ("Cimarex") proposes the drilling of a subsequent well it shall notify those owners who elected to participate in the initial well drilled hereunder of its intent to drill a subsequent well and said owners will have 20 days from the date of receipt of said notice to elect whether to participate in said subsequent well. The notice provided by Cimarex shall include the estimated dry hole costs and estimated completed well costs of the subsequent well and owners electing to participate must pay, or make satisfactory arrangements with Cimarex to secure the payment, of their proportionate share of said complete well costs within 25 days from the date of receipt of notice from Cimarex. Those owners electing not to participate or those owners failing to elect within the period provided or those owners electing to participate but failing to pay within the period provided shall be deemed to have elected not to participate in the subsequent well and shall thereafter receive the highest cash option and lowest net revenue interest set forth in paragraph 7 above for which said owner qualifies for all subsequent wells. Anytime an owner elects or is deemed to have elected not to participate in a subsequent well, then that owner shall not be allowed to participate in future wells drilled on the drilling and spacing units covered hereby. Cimarex shall commence the subsequent well within 180 days of the proposal for same or the proposal shall expire. That the Oklahoma Corporation Commission shall retain jurisdiction over the drilling and completion costs proposed by Cimarex for subsequent wells.

13. Operator Lien: That Operator, in addition to any other rights provided herein, should have a lien, as set out in 52 O.S., Section 87.1(e)(2001), on the interest of any owner, subject to this Order, who has elected to participate in the well covered hereby by paying such owner's proportionate part of the costs thereof.

14. Special Finding: Notice has been given by publication as required by Commission Rules and Affidavits of Publication have been filed. Those owners whose names and addresses were attainable have been given actual notice by mail. An adjudicative inquiry was conducted by the Administrative Law Judge into the sufficiency of the search to ascertain

the names and addresses of all owners and if a diligent effort had been made to locate all affected interest owners. Applicant has made a meaningful and diligent search of all reasonably available sources at hand to ascertain those parties that are entitled to notice and the whereabouts of those entitled to notice but who were served only by publication. The Commission finds the process to be proper and has jurisdiction over the subject matter and the parties. That a bona fide effort was made to reach an agreement with each respondent and that the Applicant has not agreed with all such respondents in such drilling and spacing unit to pool their interest and to develop the drilling and spacing unit common sources of supply as a unit; that the Applicant has proposed the drilling of a well on said unit and to develop said common sources of supply; that the Operator, hereinabove named, is an owner of the right to drill on said drilling and spacing unit and to develop and produce said common sources of supply.

15. Filing of Affidavit: That the Applicant or its Attorney shall file with the Secretary of the Commission, within 10 days from the date of this Order, an Affidavit stating that a copy of said Order was mailed within 3 days from the date of this Order to all parties pooled by this Order, whose addresses are known.

16. Cimarex Energy Co. is proposing to develop the separate common sources of supply in the drilling and spacing unit covered hereby in the aggregate as a group or unit. The Applicant intends to evaluate and develop the Woodford common source of supply, as a reasonably prudent operator under the same or similar circumstances, however, the Mississippi Lime and Hunton associated common sources of supply covered hereby may be inadvertently penetrated in the initial unit well involved herein and valuable information regarding associated common sources of supply may be obtained through the risk assumed and the expenses incurred in connection with such initial unit well. Furthermore, the bonus values testified to are based upon consummated oil and gas leases which cover all of the separate common sources of supply herein. Therefore, as set forth in the Application filed herein, Applicant believes, and the evidence presented herein shows, that it is appropriate that this pooling order treat all of the separate common sources of supply involved here in the aggregate as a group or unit. Cimarex Energy Co. is the owner of the right to drill a well into, to produce hydrocarbons from and to appropriate production from the separate common sources of supply in the units involved herein.

17. Conclusion: The relief requested is necessary to prevent or to assist in preventing the various types of waste of oil or gas prohibited by statute, or any of said wastes, and to protect or assist in protecting the correlative rights of interested parties. Such requested relief, as set forth above, should be granted and IT IS SO ORDERED.
