To Whom It May Concern,

We have approved the 1073mw from Ovintiv Mid-Continent to Ovintiv USA Inc. A total of 1293 well were transferred. I have attached the approved 1073mw and all wells not transferred have a line through them with the reason listed beside the well. Also, there is a well we have no documents for and that is api#131-14968.

*Sincerely,*
